This unique learning experience is designed to prepare public safety leaders to be more effective. During the immersive 5 day interactive workshop, our experienced team will address evidence-based strategies and tools to enhance workforce engagement and improve leader efficacy. It is critical for public safety leaders to develop their full potential. Attendees will participate in *reflective dialogue; action planning; identify an organizational leadership challenge, case study analysis, critical thinking, networking and team building exercises.*

The focus of this intensive training is to provide participants an immersive learning experience covering topics to include:

- Workforce Engagement Strategies- Gallup Q12
- Leadership and Human Performance Analytics
- Building a culture of trust
- Problem Solving, Decision Making, Critical Thinking, Creativity and Innovation.
- Identifying *Five Behaviors of a Cohesive Team*©/ Team Building
- Learn strategies to lead from all levels of the organization
- Focusing on *Organizational Body and Spirit*
- The Power of a Belief System- *Beliefs Drive Performance (Leadership Case Study)*
- The Art of People Reading with Everything DiSC Workplace Profile and Personality Assessment
- Lessons Learned from the Sandy Hook School shooting: *Shaving Seconds to Save Lives*
- Leadership and Motivation: *A Theoretical Approach to Employee Performance*
- Transformational Leadership- Leading Organizational Change
- Ethical Decision Making, Cultural Awareness and Diversity Management
- Psychological Capital: Developing the HERO within (Hope-Efficacy-Resiliency-Optimism)*
- Wellness and Resiliency: *TUF Mind Training- Thinking Under Fire*
- The Chemistry of Leadership
- Many other relevant topics

Tuition includes: Dorm style accommodations; Welcome Reception; daily breakfast & lunch; daily coffee and snacks; Graduation Dinner; Workbook, Resource and Reference Materials; Everything DiSC Workplace personalized assessment; Certificate of Training; POST Credits; **Request a program schedule for more details.**
